

14TH INTERNATIONAL CONGRESS OF **INBORN ERRORS OF METABOLISM**

Save the Date!

On behalf of the Organising Committee, we are pleased to announce the **14th International Congress of Inborn Errors of Metabolism (ICIEM 2021)**, hosted by the Australasian Society of Inborn Errors of Metabolism (ASIEM), a special interest group of the Human Genetics Society Australia (HGSA).

The Congress will be held at the International Convention Centre Sydney (ICC Sydney) in Australia from **27 – 31 August 2021**. [Click here](#) to join our mailing list for further updates on program, speakers and registration.

Program

The Congress Program will be held over five days and will feature insightful international and national key opinion leaders for plenary and free paper sessions. The Program Committee are building a program that will be thought-provoking to ensure that participants from all regions and disciplines will find the Congress program dynamic and educational.

Key Dates

Registration Opens: 22 January 2021

Call for Abstracts Open: 22 January 2021

Call for Abstracts Close: 22 March 2021

Congratulations

ICIEM 2021 would like to congratulate Celia Nogueira on winning the Bridgeclimb experience for 2 people when she attends ICIEM 2021. Celia entered our prize draw by visiting our team at the ICIEM 2021 stand during ICIEM 2017. We hope you enjoy this incredible experience. For more information about the Bridgeclimb, [click here](#).

Stay a while in Sydney

The International Convention Centre is conveniently located within walking distance from famous landmarks and sights. climb the Sydney Harbour Bridge, visit the Botanical Gardens and the Sydney Opera House or catch a ferry, train or bus to the renowned Bondi Beach, Taronga Zoo, Manly Beach or the Blue Mountains.

Extend your trip for some pre or post Congress travel to a myriad of unique Australian and New Zealand destinations including snorkelling the Great Barrier Reef, Uluru in the Outback desert, sampling Australian wine in the Hunter Valley or meeting the local seals and penguins in Milford Sound.

For more information on what you can do in Sydney, Australia and New Zealand, please [click here](#).

Welcome to Qantas - The Official Congress Airline

ICIEM 2021 are proud to have Qantas as our Official Congress Airline. Founded in the Queensland outback in 1920, Qantas has grown to be Australia's largest domestic and international airline. Registered originally as the Queensland and Northern Territory Aerial Services Limited (QANTAS), Qantas is widely regarded as the world's leading long distance airline and one of the strongest brands in Australia.

With a reputation for excellence in safety, operational reliability, and world class customer service; Qantas offers a truly global network proposition for travelling within or to Australia. Visit www.qantas.com.

Make sure your brand is represented at ICIEM 2021

The Congress reaches a highly sought after audience particularly related to inborn errors of metabolism, who work as scientists, metabolic physicians, nurses and dietitians. We are keen to include our sponsors in the planning stages of ICIEM 2021 and encourage you to express your interest early.
